FX in Mojaloop

INFITX Blog post: [Integrating Native Foreign Exchange Services into Mojaloop](#)

# What has been completed?

[Epic #3552 FX in Mojaloop](#)

[POC Test cases, document & deployment Repo](#)

## **Proof of concept:**

End to end FX transfer using Payer FX conversion that includes Mojaloop Connector (SDK) Integration support for Payer and Payee DFSP and FXP provider. POC assumes a single FXP provider.

## **Artifacts:**

Complete Open API definition for FSPIOP FX APIs

Complete Open API definition for Mojaloop Connectors (SDK)

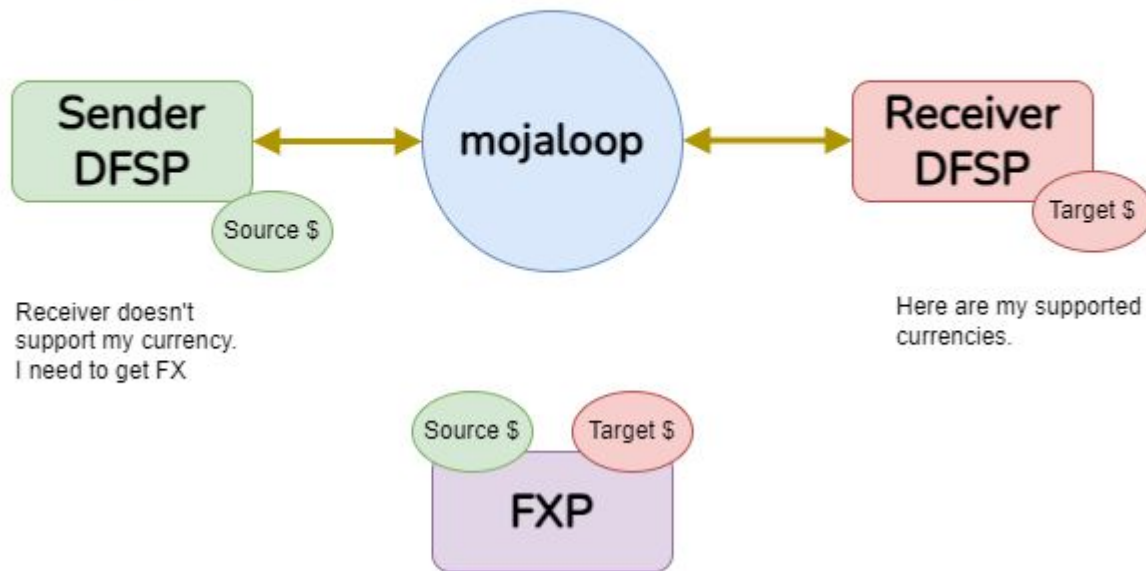

Working code on branch.
